

Canadian Transplant Association Member Fundraising Information

The following information pertains to members of the Canadian Transplant Association (CTA) who plan to individually fundraise to attend the Canadian Transplant Games and/or World Transplant Games. If the member does so by hosting an event, the event must be approved by the Executive of the CTA to be considered a CTA sanctioned event.

Upon request, the CTA will assist its members to fundraise and/or host sanctioned events only by:

- a) Allowing its name and logo to be used.
- b) Issuing a “Fundraising Form” to a CTA member to give validity to their fundraising.

More information regarding individual fundraising:

- I. A fundraising form will only be issued to a current member participating in a sanctioned event.
- II. Any funds raised shall not exceed the actual expense of attending the Canadian Transplant Games or World Transplant Games.
- III. If the funds cannot be used due to unexpected illness, etc., then the unused funds should be forwarded to the CTA National Treasurer to be held in Trust for the next Games. If these funds are not used at the next Games, it will then be transferred to the CTA National’s operating funds.
- IV. All funds raised by CTA members shall be subject to **10% co-sharing fee** with CTA National to help offset operational costs. The 10% portion is to be sent to the CTA National Treasurer with a photocopy of the completed forms.
- V. Tax receipts **cannot be** issued for funds raised to cover an individual’s personal expenses. If a contributor wishes to make a direct donation to the CTA, then a tax receipt can be issued, but these **funds cannot be directed back** to an individual and in that instance, the CTA’s registered charitable number is #13181 5862.

This policy was updated and approved on January 17, 2013 (form revised Dec 2015)
